CATHOLIC EDUCATION
Part 4 of 5
"Did You Know?"

1. In recent years, there has been some debate about continued public funding for Catholic Schools.
2. It would be unfair to the Catholic community & the people of Ontario, to dismantle a school system that has been an integral part of publicly funded education since 1841. Our system of education, is one of the best in the world, and works well for all our students and families.
2. Both the Canadian and Ontario governments have strongly defended the present funding system.
