**CATHOLIC EDUCATION**  
Part 5 of 5

"Did You Know?"

1. The notion that a single education system in Ontario would save money is unfounded. Funding in Ontario is based on a per-pupil calculation. Amalgamation would not reduce the number of students who still require teachers & classroom space, support staff and administrative staff.
2. Today, Catholic & Public School Boards cooperate & work together in many ways to save overall Government funding.

**Please encourage & thank your local MPP for their support to our school system & indicate your support for Catholic education to them ... especially at election time. Thank You!**
